

How to Simplify Your Cattle Registrations

Cattle registration is not really difficult – it only seems that way if you haven't done it before.

Below is a step-by-step guide of the DNA & Registration process to ensure your registration can be processed quickly for you.

1. Pull tail hairs from your animal and send to Neogen or Zoetis for DNA & Parent Verification
Instructions and forms are on the website under THE ASSOCIATION >'Forms & Downloads' and MEMBERS AREA (Forms & Other Downloads)

Post a copy of the DNA Form and samples to the appropriate DNA testing Laboratory.

2. The results of the DNA & PV will be sent to you and/or the ALCA Office in about 4 - 6 weeks.

When you have received your DNA & PV results make your payment for the registration at the [Lowline Shop](#)

Please add details of the animal in the 'Add a Note' section on 'Your Cart' page.

After payment you will automatically be emailed the link to download the Registration Form. Complete and email to the Lowline Registrar lowline.registrar@abri.une.edu.au

OR fill out your registrations ONLINE via the MEMBERS AREA – Herdbook Database Login.

Instructions for both of these are on the website in THE ASSOCIATION >'Forms & Downloads' and MEMBERS AREA (Forms & Other Downloads)

3. If your animal has already been RECORDED on the Herdbook Database, you will not be required to fill out another registration form.

Just email the Lowline Registrar notifying of the animal you need to have upgraded and make payment.

Payment for the UPGRADE REGISTRATION should be made at the [Lowline Shop](#)

Add details of the animal in the 'Add a Note' section on the 'Your Cart' page

4. Make payment to ALCA for the Registration for the animal/s you need registered.

This can be done –

- * The [Lowline Shop](#) (preferred option)
- * Via Bank Transfer to our ALCA Bank Account: BSB-082 407 Account Number - 45 349 8710
- * A Cheque payable to Australian Lowline Cattle Association with your registration form
Post to - Australian Lowline Cattle Association
C/- ABRI, University of New England
Armidale NSW 2351

Please note – Registrations will NOT be processed without payment.

Full Registration - Female \$35.00 (+GST) / Bull \$100.00 (+GST) per animal

Upgrade RECORDED Animal - Female \$30.00 (+GST) /Bull \$95.00 (+GST) per animal

5. Email the completed Registration Form to lowline.registrar@abri.une.edu.au with a brief note about which animal/s you require registered & advising that you have paid for the service.

Registration Certificates will be emailed as a PDF unless you say you would like a paper Registration Certificate which will then be sent in the post.

If you follow these steps your registrations should be processed promptly.

Please remember that Registrations will not be processed without DNA and PV results, correct registration details on a Registration Form and payment in full.

For prompt processing, please ensure payment has been made and the completed Registration forms and the DNA /PV/ Coat Colour Test Results are sent together to the Lowline Registrar lowline.registrar@abri.une.edu.au
