Royal New Zealand Show Feilding

The Royal Show held at Manfeild Park, Feilding on the 6-8 of December was a great success for Lowline cattle. With almost 30 animals present and several studs represented the breed was out in full force. The great quality of animals present saw strong competition within the individual Lowline classes. The Supreme Lowline Exhibit was won by Ploughbright Lowline Stud's entry Ploughbright Chatter box with heifer calf Ploughbright Jinaroo at foot.

Judy Sainsbury presents Sally and Jude with the Tammy Breuer Memorial Cup for Supreme Lowline Exhibit

The Quietest and most easily handled bull showed the true docility of the breed with one bull being ridden by his handler. This event along with the Casablanca Barbary Coast Perpetual Trophy was won by one of Mike Harnett's bulls of Compak black Stud.

In the Final event of the day Katherine Moore who had shown great skill and confidence in the show ring throughout the day won the Youth Handlers event and a trophy donated by the North Island Lowline Breeders Promotion Group.

The Show was a great success in both the show ring and promoting our breed to the public. This great show was only made possible by the great work of many members, in particular Mike Harnett and Judy Sainsbury. Thanks must also go to judge Ross Canning for not only judging but also sharing some of his expertise with us throughout the day.

Katherine Moore Winner of the Youth Handler class and Matthew Butler Runner-up
