How To Transfer A Registered Lowline

From time to time you will sell one of your registered Lowlines to another ALCA member.

Filling out the Transfer Details of this animal correctly will ensure the new owner will have no problems registering progeny in the future.

At the bottom of the Certificate of Registration & Pedigree is a section that **must be filled out** when a registered animal is sold. (See enlarged image below)

This section is to be completed, signed and dated by the Vendor. Without authorisation from the Vendor, ownership cannot be transferred.

A transfer Fee of $30 +GST is the be paid by the vendor. Please make payment via the Lowline Shop www.lowlineshop.com

Add details of the animal to be transferred in the ADD NOTES section

Please note: If you are selling a Female that may be or is in calf it is essential that you also compete the following sections of the Transfer :

Joining Sire & Sire Reg # -   provide full details of the bull the female was joined with or running with

Service From... To -   fill in the dates the bull was with the female

AI : Yes/No -   complete if pregnancy was by AI.
If the bull - was an AI Approved Sire then no further action is required
              - was not an Approved AI Sire then a Certificate of Service is Required
